## Arrivals and Departures

Bisley Base Ltd recognises that the safe arrival and departure of the children in our care is paramount.

The manager will ensure that an accurate record is kept of all children in the Club, and that any arrivals or departures are recorded in the register. The register is kept in an accessible location on the premises at all times. In addition, we conduct regular headcounts during the session.

### Escorting children to the Club

- The Club and school have a clear agreement concerning the transfer of responsibility for children's safety.
- We have risk assessed the route used to escort children to the Club and review it regularly.
- The school and the Club keep an identical register of children who require escorting between locations which is updated daily.
- Bisley children will meet us in the Quad an area by the hall. Holy Trinity children come to the car park where the minibus will be waiting. The minibus will leave with the younger children and a member of staff will wait with the other children under the covered area by the hall until the minibus returns.
- A minimum of two members of staff will escort the children from school to the Club, depending on the numbers.
- If a child is booked into the Club but is not at the collection point, we will check whether the child was present at school that day. If the whereabouts of the child is not known, staff will immediately inform the designated contact at the school and the child's parents or carers, and follow the procedures laid out in the **Missing Child** policy.
- For children attending after school clubs at their attended school; it is the parent's responsibility to keep BASE staff informed of how they will get to The BASE it is not BASE's responsibility to collect after their club has finished. Parents/carers must confirm via email or in writing if their child is attending a club and how they will be dropped to the BASE. And ensure we are updated of any changes.

### Arrivals

Our staff will greet each child warmly on their arrival at the Club and will record the child's attendance in the daily register straightaway, including the time of arrival.

### Departures

- Staff will ensure that parents or carers sign children out before they leave, including the time of collection.
- Children can only be collected by an adult who has been authorised to collect them on their registration form.
- The child's parents or carers must inform the Club in advance if someone who is not listed on the registration form is to collect the child. The manager will contact the main parent or carer for confirmation if they have any concerns regarding departures.
- The parent or carer must notify the Club if they will be late collecting their child. If the Club is not informed, the **Uncollected Children** policy will be followed.
- Children over the age of 8 will only be allowed to leave the Club alone at the end of the session if the Club has discussed this with the child's parents and has received their written consent.

- Children below the age of 8 will not be allowed to leave the Club unaccompanied.

### **Absences**

- If a child is going to be absent from a session, parents must notify the Club in advance.
- If a child is absent without explanation, staff will contact the parents or carers and the school to check where the child should be. If there is no explanation for the absence the Club will activate the **Missing Child** procedure.
- The Club will try to discover the causes of prolonged and unexplained absences. Regular absences could indicate that a child or their family might need additional support.
