

Bisley Base Ltd

News letter 5th July 2021

Dear Parents and Carers,

I hope all our families have made it through this last year ok and are looking forward to a well-earned break over the summer.

Our summer club starts on the 22nd July and still has a few spaces, some days are full but please let me know if you still require any holiday care.

As we approach the end of this academic year, we can say we have made it. This last year has thrown up some curve balls but we have managed to keep going and have come through the other side.

As always, we could not do what we do without our staff who have stepped up when needed to cover sickness and staff that have had to self-isolate when their own children weren't at school.

Pre School Finishes on Friday 16th July and return on the 6th September separate letters will be going out to confirm days and hours required. These will need to be returned by the end of term to confirm their space for year 2021-2022

Holy Trinity Finish this term on the 16th July at 1.30pm we can collect at this time, if you don't need us to collect please let us know. Holy Trinity have confirmed they will be running a club w/c 19th July if you are using this service, we can still collect at the usual time. PLEASE ensure you tell us as we will not know unless you inform us re collection. Bisley Base closes at 5pm on 21st July. Return to school on Thursday 2nd September.

Bisley Finishes on the 21st July at 1.30pm we will collect as usual but we close at 5pm if you will be collecting from school please can you let us know. Last day of term can be a bit busy with year 6's saying their goodbyes. Return on Thursday 2nd September.

Holiday Play Scheme We have already received many bookings with many days being full, if you do require any days please let me know ASAP. We have reduced our numbers this summer so we can monitor and ensure we can safely manage numbers.

Keeping children, staff and parents safe.

To try and keep everyone safe from any transfer of infection we are asking that parents stay outside the building on drop off and collection. Children will be asked to anti bac their hands before entering and wash hands before and after eating. We will have regular times to wash hands and anti bac stations around for children to access when moving about the setting. Staff will adopt the same approach and lead by example.

Minibus, After a stressful week of the minibus being stolen, found, and then having to be repaired it is back and in service. We have bought even more security measures to try and stop this happening. Police haven't been an awful lot of help; a neighbour has CCTV of our bus being followed by another van so we are hoping that this information may be helpful.

Thank you for your support and patience please message me with any question you may have.

Lynda, Ant and the BASE team
