

# Bisley Base Ltd

## Summer holiday club

Dear Parents and Carers,

Although the restrictions are being lowered from Monday 19<sup>th</sup> July, we have made the decision to keep some things in place.

### **Keeping children, staff and parents safe.**

To try and keep everyone safe from any transfer of infection we are asking that parents stay outside the building on drop off and collection. Children will be asked to anti bac their hands before entering and wash hands before and after eating. We will have regular times to wash hands and anti bac stations around for children to access when moving about the setting. Staff will adopt the same approach and lead by example.

We will be operating as much as we can outside and when inside we will keep doors and windows open to help with air flow.

With the recent year group closures at local schools and 10 day isolation period being imposed we cant rule out this happening and have to keep you up to date that if we are informed of a positive case and or have staff having to isolate we will have to close at short notice. We will use our text service and email to update everyone. If any children display and symptoms please inform us as soon as possible either via email [lynda.faithfull@bisleybase.co.uk](mailto:lynda.faithfull@bisleybase.co.uk) or 07789177127

All children will need to bring a packed lunch (no nuts) a water bottle with their name on. We supply snacks and fruit and will refill water bottles when needed. A change of clothes would be a good idea in case we have water games, and they get wet.

*Thank you for your support and patience please message me with any question you may have.*

**Lynda, Ant and the BASE team**
