

Bisley Base Ltd

Newsletter: March 18th 2020

Dear Parents and Carers,

As I'm sure you are aware both Holy Trinity and Bisley are due to shut from 20th March due to the Corona virus.

DFE statement:

'Childcare providers and schools will close from Friday afternoon until further notice in an escalation of the government's response to the coronavirus outbreak in England. Vulnerable children and families of key workers, such as NHS employees, will still be able to attend.'

We are now **not allowed** to continue offering care unless you are in the sector classed as key workers. If you feel you fit into this category, please let me know as we can offer some childcare under that umbrella. Albeit limited hours.

This is going to be a tricky time for everyone, and we understand the pressures we are all facing over the next months.

We can only think that this will pass, and things will get back to normality. Our service is important to working parents and looking forward in the short term, I will have to make some decisions on our ability to retain staff. This may mean reduction in spaces available once we reopen. We will of course make every effort to ensure our 'outstanding' service will continue.

We will keep you updated as and when more information becomes available.

Thank you for your continued support.

Lynda, Ant and the BASE team.
